

ConvaTec Product Catalog (PIM): Change the product sort order on the website.

Example: We need that all the NEW products appear as the first so they will be more visible.

Ostomía
Tipo de intervención ▼ Tipo de sistema ▼ Productos por marca ▼ Accesorios

2 piezas

La bolsa y el apósito (protector cutáneo) son dos piezas separadas que se acoplan con un aro de plástico.

Tecnología de Acoplamiento Adhesivo

Esteem synergy® abierta

Esteem synergy® con Tecnología Moldeable de ConvaTec™

Esteem synergy® cerrada

Protector cutáneo Esteem synergy® Convex Moldeable

NEW: Natura® Stomahesive® flexible pediátrico con aro

Protector cutáneo Esteem synergy® Stomahesive® / Esteem synergy® Stomahesive® Flexible

NEW: Natura® flexible pediátrica para urostomías

NEW: Natura® abierta pediátrica flexible

Here “Esteem synergy® abierta” is the first product and you need to set “NEW: Natura® Stomahesive® flexible pediátrico con aro” as the first product.

Go into the backend PIM in Marketing World

Search all published stoma products and find the products you want to change:

Product Number 	Title 	Product Image 	Sort Order 	Old Global Product Number 
<input type="checkbox"/> STM-0011	NEW: Natura [®] Stomahesive [®] flexible pediátrico con aro			1_0011
<input type="checkbox"/> STM-0012	Esteem synergy [®] abierta		1	1_0012
<input type="checkbox"/> STM-0013	Protector cutáneo Esteem synergy [®] Convex Moldeable		8	1_0013
<input type="checkbox"/> STM-0014	Esteem synergy [®] cerrada		6	1_0014
<input type="checkbox"/> STM-0015	Protector cutáneo Esteem synergy [®] Stomahesive [®] / Esteem synergy [®] Stomahesive [®] Flexible			1_0015
<input type="checkbox"/> STM-0018	NEW: Natura [®] flexible pediátrica para urostomías			1_0022

Here we detect that “Esteem synergy[®] abierta” is the first product to view in the top of the website, because it has number 1 as the “Sort Order” number.

So you have to go into the edit-mode at the product you want to become number 1 and edit the sort order – type in “1” in the Sort Order field and press “Save & Publish”:
